EXPERIENCE

ART INSTITUTE OF CALIFORNIA - HOLLYWOOD

Student Services Graphic & Web Designer
January–August 2018

I created posters, email notices, flyers, brochures, and television graphics for student activities and special guest speaker events. I also tutored other students on basic web coding, graphic software tools, and other Adobe Suite software. Further, I updated important documents and links on the official school website and ensured the documents were accessible to students from multiple devices.

VICEROY L'ERMITAGE BEVERLY HILLS HOTEL

Human Resources Coordinator
August 2014–January 2017

Under the Human Resources Director, I maintained and updated 150+ confidential employee files both digitally and manually for accuracy. I also conducted and supervised the onboarding of 30+ new employees.

UNITED STATES NAVY

Surface Warfare Officer
May 2005–October 2016

I managed between 10 and 200 personnel while maintaining responsibility on the operation of ships at sea and the management of various shipboard systems. I also standardized, trained, and assisted in qualifying 14 satellite operators on the maintenance and upkeep of 11 military communication satellites.
